Boundaries are both natural phenomena and man-made, set by men and by nature. A river draws a boundary and so does a cliff. A steep canyon creates a boundary, and so does the sea. One might be careful to think about crossing both. We place fences around our properties to keep children and pets in and other children and pets out.

When Boundaries Betray Us by Carter Heyward, Roy Herndon ...

challenges to therapeutic boundaries, a book I'd read many years ago by Carter Heyward entitled When Boundaries Betray Us. (1993) immediately came to mind. Although I'm not sure what was transpiring in my life that motivated me to read this book, I vividly remember the powerful impression it made. As Carter Heyward, an Episcopal priest
